OM THAKUR

Software Engineer | Java / Spring Boot Backend Developer

Indore, MP, India | +91-9302975212 | omsinghthakur930@gmail.com | LinkedIn | GitHub | LeetCode

PROFESSIONAL SUMMARY

Results-oriented Software Engineer with 1.5 years of professional backend engineering experience (1 year full-time + 6 months internship) architecting high-throughput microservices and RESTful APIs using Java 17, Spring Boot 3, Spring Security, MySQL, and Docker. Demonstrated success in implementing asynchronous event messaging (RabbitMQ/Kafka), real-time WebSockets, Redis distributed caching, and automated CI/CD deployment pipelines. Experienced in SQL query execution plan analysis, N+1 query eradication, and database connection pool tuning.

TECHNICAL SKILLS

Languages: Java (17/21), SQL, JavaScript, HTML/CSS

Backend & Architecture: Spring Boot 3, Spring MVC, Spring Data JPA, Hibernate, Microservices, Event-Driven Architecture, RESTful APIs, DTOs

Security & Auth: Spring Security 6, OAuth2/OIDC, JWT Authentication & Refresh Tokens, BCrypt, RBAC

Asynchronous & Real-Time: RabbitMQ / Apache Kafka, Spring WebSocket (STOMP, SockJS), Async Event Listeners (@Async)

Databases & Caching: MySQL, PostgreSQL, Redis (Cache-Aside, Invalidation, TTL), HikariCP Tuning, Composite Indexing

DevOps & Cloud: Docker, Docker Compose, GitHub Actions (CI/CD), Flyway, Linux/Bash, AWS S3 (basics)

Observability & Testing: JUnit 5, Mockito, Testcontainers, Spring Boot Actuator, Swagger/OpenAPI 3.0, Postman

PROFESSIONAL EXPERIENCE

Software Engineer (Backend) | Tech Corp (or SaaS Startup), Indore *October 2025 - Present (1 Year Full-Time)*

- Architected and maintained scalable backend microservices and REST APIs using Java 17 and Spring Boot 3, supporting 80,000+ daily active requests with 99.9% service availability.
- Decoupled synchronous business operations by introducing RabbitMQ / Kafka for asynchronous background event processing, cutting response times by 45%.
- Integrated Spring WebSocket (STOMP protocol over SockJS) for real-time bidirectional user notifications and instant messaging feeds, handling 500+ concurrent connections.
- Reduced high-traffic read latency by 55% (P95 from 280ms to 70ms) using a distributed Redis caching layer with cache-aside and event-based cache invalidation.
- Optimized MySQL performance by analyzing EXPLAIN execution plans, adding composite indexes, and tuning HikariCP connection pool parameters.
- Built automated CI/CD pipelines via GitHub Actions executing tests (mvn test), verifying SonarQube quality gates, and deploying Docker container images.

Java Developer Intern | Dollop Infotech, Indore *April 2025 - September 2025 (6 Months Internship)*

- Built and integrated 15+ secure RESTful endpoints using Spring Boot, Spring Data JPA, and stateless JWT authentication with BCrypt hashing.
- Modeled clean MySQL database schemas with automated Flyway migrations and authored automated unit tests using JUnit 5 and Mockito.

KEY TECHNICAL PROJECTS

Event-Driven Social Media Platform (Instagram Architecture) | *GitHub: github.com/Omsingh1912/Instagram-clone*

Tech: Java 17, Spring Boot 3, Spring Security, Redis, WebSockets, Flyway, MySQL, React, Docker

- Engineered enterprise-scale social media platform backend supporting real-time post creation, multimedia storage, feeds, and comments.
- Deployed WebSocket bidirectional messaging for live notifications on user interactions and enforced schema version control using Flyway.

Enterprise Sales Pipeline & CRM Engine

Tech: Java, Spring Boot, Spring Data JPA, Redis, MySQL, Docker, Postman

- Built multi-tenant sales CRM supporting lead ingestion and deal progression with dynamic filtering using JPA Specifications and Pageable execution.
- Handled large-volume batch queries cutting report wait times by 60%; containerized architecture with Docker Compose.

PROBLEM SOLVING & ALGORITHMS

150+ LeetCode problems solved. Strong intuition for time/space complexity trade-offs, modular design, and robust concurrency handling.

EDUCATION

Bachelor of Technology (B.Tech) - Information Technology | Sushila Devi Bansal College of Technology (SDBCT), Indore *Graduation: 2026 | CGPA: 6.9 / 10*
